

Dear Partners,

In an effort to meet our customers' needs even further, we have decided to use an improved size chart in the upcoming season. The majority of products from our Autumn/Winter 2022/23 collection will be available in new sizes.

Selected items in the regular offer have been given additional size options. Below we present a basic size converter and other details. We would appreciate your opinion on these new options.

If your customer wears size:

XS or S

offer her Obsessive
products in size

XS/S

M or L

the right size
choice will be

M/L

XL or 2XL

we recommend purchasing
products in size

XL/2XL
